

## The EDS Post | Issue 4

**Welcome to the latest issue of our newsletter, The EDS Post, which brings you our latest news and updates.**

With the record number of people across the UK that have had at least one COVID-19 injection, it feels like we are over the worst of what have been challenging times.

Although the vaccination roll-out continues to go well, COVID-19 is still present and so we are continuing to follow the latest government advice. This remains at the forefront of everything we do, to make sure everyone — our staff, clients and respective families — keep safe and well.

In the last issue we sent out a massive 'thank you' to our incredible team of care staff for continuing to deliver their wonderful care during such trying times. This time we want to extend our sincere thanks to staff at Totley Pharmacy who have provided us with a constant stream of PPE and testing kits throughout the pandemic. We also want to thank Baslow Health Centre, who provided many slots for those who needed a vaccination..

In this issue we welcome on board a number of new personnel who have been recruited to help with our growing customer base, which now includes people living in and around Darley Dale. We are also delighted to announce a promotion and to report that a former colleague has returned to work with us.

We hope you and your family keep well and we look forward to seeing you soon.

Best wishes

*Kate, Amanda & Team*

### EDS Homecare

Peak District: 01433 631380 | Dronfield: 01246 410887

W: [www.eds-care.co.uk](http://www.eds-care.co.uk) | E: [care@e-d-s.org](mailto:care@e-d-s.org)

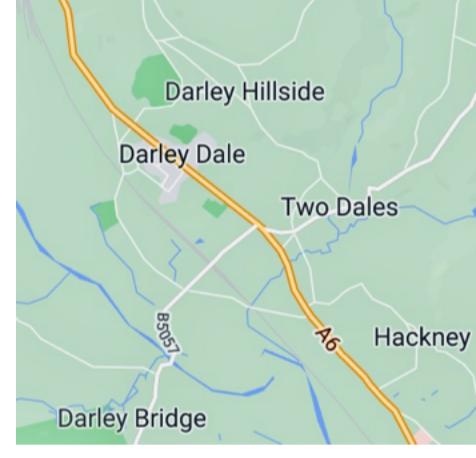

### Welcome to our team

We are delighted to welcome Dani, Jess and Sarah who have recently joined the Great Hucklow office. During the last few months we have taken on more clients and our new team members will ensure we continue to provide the highest levels of care.

### Happy Easter

This year every member of staff received a surprise Easter gift, as a way of showing our appreciation for everyone's on-going hard work and dedication.

### Proud to be serving Darley Dale

We have recently extended the area that we cover from our Follow office. People living in and around Darley Dale can now choose EDS Homecare to look after their loved ones.

### We're recruiting

If you know of anyone who is looking for a rewarding career here at EDS Homecare, we pay a referral fee of £150, subject to a trial period.

### Our new Compliance Manager

We are pleased to announce that Vicki Hayes, who has been Assistant Manager at our Dronfield branch since 2014, has taken on the role of Compliance Manager. This vital role, requires a meticulous attention to detail to ensure that everything we do remains fully compliant.

### NEWS ROUND-UP

#### Vaccine update

The majority of our staff have now had their second vaccine, which will help ensure that we minimise the risk of anyone carrying the virus into the homes of our clients, many of whom are in the 'at risk' category.

#### Many happy returns

Zoe Williamson has returned to work for us after a short break to have her first child. Now, seven months on and Zoe was keen to get back to doing what she really enjoys and working alongside her colleagues.
